Nevada City Nugget

VOLUME IV, NUMBER 3 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA. THE COUNTY SEAT PAPER DECEMBER 2, 1929

ORGANIZATION MINE CHAPTER TO BE COMPLETE

The third meeting of the local four county chapter of the Mining Association of California will be held in Grass Valley next Saturday night at eight o'clock in the Chamber of Commerce rooms on Mill street. The meeting which has been sponsored by the Chamber will be for the purpose of completing the organization of the Chapter and for the appointment of committees to carry on the various activities. It is presumed that vice chairman for the various counties in the unit will be named.

The Grass Valley Chamber has shown a sympathetic interest in the work of the organization inaugurated to put the mining industry of California back in its proper place and has promised a large attendance of Grss Valleyans for that evening. Some of the state officials will also be present from Sacramento.

The meeting held at Downieville was productive of much good feeling and the promise that Sierra county would have a large number of members in the organization. A large picnic meeting is being discussed for that county early next summer, it being the intention of the local Chapter to rotate its meetings so that all members in various parts of the district can keep in cloer touch with the work of the organization.

Harry S. Tibbey, of Downieville, who has long been a booster for the gold mining industry and is now devoting his attention to his mining properties is one of the new members since the list given last week and is taking a great deal of interest in the organization.

The name of Errol MarBoyle, president and managing director of the Idaho Maryland Mines, was omitted from the list of members given last week.

The 77th member of the local mining chapter is Fred M. Miller of Grass Valley, consulting engineer who is reopening his offices for private practice after many years in public service.

Andrew Bachelis of Goodyear Bar is another new member who voluntarily signed up for the organization the past few days.

COUNTY TAXES ARE TO BE DELINQUENT TODAY

Today is the final date for the payment of county taxes before the first installment becomes delinquent Payments have been slow this year largely due, it is stated, to the matter of the land tax imposed by the irrigation district.

LODGE MEMORIAL SERVICES

The annual memorial services honoring decaseed members of the Order were held yesterday afternoon by Nevada City Elks Lodge with R. L. Williamson of the Marysville lodge as the orator. Grass Valley lodge joined with the local lodge in holding the services.

NEW TELEPHONE DIRECTORIES

New telephone directories were distributed the past week to local patrons of the Pacific Telephones & Telegraph Company. The past year has seen a growth of 50 phones in the local district which indicates a healthy increase in population. The Nevada City exchange in its local services ranks as one of the best county offices in the company's far flung system for the quality and courtesy of its service bar nono.

LOSE AT BASKETBALL

The high school A, B and C teams lost to Auburn Friday night on the local court, the B team being the only one to match up with the visitors and in a five minute playoff it too west the loser's route by two goals.

Rev. Fr. O'Reilly took part in the dedicatory services of the Catholic church in Chico a few days ago.

Glace fruit—in bulk, boxes and beautiful gift boxes at Colley's Confectionery. 2tfch

MINING LOCATIONS ARE PLACED COUNTY RECORD

The following mining locations have been filed for record:

"E" Lode quartz claim by Charles H. Taylor in SE¼NW¼, NE¼SW¼ Sec. 19 T16N R9E.

Wonder placer claim in Snow Point Mining District, E½ SW¼NW¼, SE¼NW¼ W½SW¼NE¼ E½NE¼SW¼ W½W½SE¼ Sec 13 T18N R10E; NW¼ Lot 5 Sec 24 by William Keating, H. H. Davis, James Rourke, Lon Paine, Carl Kelsey, James Ingstader, Dan Powers and M. M. Coughlan.

WINZE IS MAKING GOOD PROGRESS AT PIONEER

The winze being sunk on the new ore shoot at the Pioneer mine south of tows is down between 90 and 100 feet and making good progress. The shoot is holding up well in mineralization and width and promises to prove a large strike as depth is attained. The winze is being sunk at a point 60 feet from the shaft.

Two promising ledges have already been picked up in the winze. One large ledge cut recently shows fine milling rock and making a very encouraging showing.

H. H. Marsh is superintendent in charge of operations. Frank Lassen who is prominently connected with the property has been under the weather for a few days.

LOCAL MEN WORKING AT EL DORADO MINE

Two local mining men are prominently connected with the San Francisco Gold Mines property at Grizzly Flat in El Dorado county. Tom Morrill, formerly with the Ancho and Gray Eagle properties is mine superintendent and S. S. Chatfield is mill superintendent. The property is equipt with a five stamp mill and a second five stamp unit is being added at the present time. Foundations have been put in for a deisttr table. A small compressor has been installed. F. H. Neve of Los Angeles is managing director of the property.

Mr. Chatfield was up from the priperty over the week end to visit his family and to have his Nugget sent to the property.

BRUSH CREEK MINE UNDERGROUND FIRE

A shorted electrical circuit set fire to some timbers in the workings of the Brush Creek mine early lat week. A hurry call to the government bureau of mines at Berkeley brought gas mask equipment to the mine and the smoldering blaze was soon extinguished. The workings were soon cleared of gas and smoke by the ventilating system and the crew has resumed labor.

LAODOWNERS FORMING INVESTIGATING BODY

As a result of the meeting at the Rock Creek hall last week, a landowners committee of eighteen has been named to go into the matter of the present land tax being collected by the irrigation district and other matters on which the citizens desire knowledge. The Sanfords who called the meeting had a typewritten list of forty questions for Manager William Durbrow to answer at the meeting.

The committee members appointed from Directors Mulcahy's district include John V. Hubbard, Charles Graham, and E. M. Shaw, while Arthur W. Hoge has been named a members at large. A meeting has been called for the district offices in Grass Valley this morning which promise to be sizzling.

A school of instruction for the officers if the various Odd Fellows lodges in this district was conducted Saturday night in Oustomah Lodge hall by Al Seaman, district deputy grand master. Following the school an open social session was enjoyed by the members and Rebekahs and families.

GOVERNMENT AIRPORT SPECIALIST WAIT RECOMMENDS WET HILL SITE

The following is a copy of the letter received by W. H. Griffith, secretary of the Nevada City Chamber of Commerce from Harry H. Blee, Director of Aeronautic Development, of the United States Department of Commerce, anent the local airport situation:

(This is the report made by A. H. Wait on his inspection trip of October 21st, in company with a number of Grass Valley and Sacramento citizens and the following from Nevada City: W. H. Griffith, R. L. P. Bigelow, E. M. Rector, George H. Calanan, O. D. Woodman and Fred F. Cassidy.)

The Gilmore Tract. This tract which comprises about 50 acres, is located o na hill some 50 to 75 feet above the general level of Grass Valley. The prevailing wind seems to be from the east in the morning and from the west during the remainder of the day. This site, therefore, has the disadvantage that approximately half the take-offs must be over the town. Although expansion is possible to the west and south to produce an "L" shaped field the cost involved in bringing this field to the required 2% grade, in the writer's opinion, would not be justified by the type field possible to produce on thtis tract. It would probably, however, be worth while to make a rough topographic survey of this tract in order to show the area available, and from which estimates of grading costs could be made. ....

Le Duc Tract. Is located scome two to three miles in an easterly direction from Grass Valley. This site would require considerable heavy grading. There is a ridge about 200 feet high immediately along the western boundary and in view of the westerly winds, the writer is afraid that bad air conditions would be found on this site. For this reason is is not recommeneded or conideration.

McKeon Tract. Located about 3 miles in a northerly direction from Grass Valley appears to have possibilities although it was difficult to obtain an accurate idea of the contour of the land on account of the timber and brush. If a co-operative project to be sponsored by Grass Valley and Nevada City fails, Grass Valley would then be faced with a choice between the Gilmore and McKeon tracts.

From the inspection made, the writer would be inclined very definitely to favor the McKeon Tract although a final choice should be made upon an engineering investigation of land areas available and estimates of costs involved in conditioning the reas.

The Wet Hill Tract was inspected in company with representatives of both Nevada City and Grass Valley. It is located about one half mile northwest from Nevada City and about 4½ miles from Grass Valley..... The tract occupies the top of a ridge which is at least 100 feet above the level of Nevada City. It is covered with some heavy timber and a considerable growth of underbrush I.t appears possible t oobtain here a square fied with dimensions approximately 3500 feet. The field is high and well drained and after the timber has been cut approaches will be clear from all directions. A hort section of road will have to be built. However, the writer was assured that if the field were located here, the county would construct the road. The cost of the land was set at about $10 per acre while the cost of clearisg and conditioning was estimated at from $100 to $200 per acre. The project will therefore cost a considerable sum of money and this is one of the reasons that the writer believes that a cooperative field is the best solution.

It would seem that one lare well equipped airport would be much preferable to two or three small, inadequate ones. It is the writer's belief that an excellent airport can be constructed upon this site. (Wet Hill.) It is therefore recommended as first choice.

A co-operative project was under consideration before the writer's arrival. However, he would like to urge ver ystrongly such a co-operative field as the best solution of the airport problem for both cities. The mountainous topography and timber covered land surrounding these cities makes the selection of an airport site a difficult matter, and it is believed that these communities may well pool their resources on this project. In addition it would be well to solicit the cooperation of the county since the item of clearing will undoubtedly be a costly one.

A. H. Wait,
Airport Specialist

NEW COMPANY TO REDUCE THE COST MINING COMPENSATION INSURANCE

The Nugget is commencing with this issue a complete setup of the work of the insurance committee of the Mining Association of California. It is a most illuminating document on the worst obstacle the gold mining industry of California is having to face. Every mining man should read it carefully and digest its contents. With the purpose of forming a mutual company to make possible insurance for the members of the state association has been a great stroke by the new organization and one which promises to release the shackles imposed on the industry by the autocratic insurance rating board which has shown no disposition to treat the mining industry fairly. The article will be continued through several issues of The Nugget. The committee report is as follows:

The undersigned, your Committee on insurance and taxation, beg leave to report that we have made some extended investigation on the subject of workmen's compensation rates for mining work.

We caused communications to be sent to nearly all of the Insurance Departments of other States in the Union, and received replies from about three-fourths of them. We also communicated with a few representative mining concerns operating in California, for their experience in this matter.

Such data as we received was presented to a meeting of the Assembly Committee on Mines and Mining of the California Legislature 1929 Session, H. E. Dillinger, Chairman of said Committee.

While this was not the Committee having in charge legislation affecting workmen's compensation insurance, it was the Committee which would naturally have a sympathetic interest in matters affecting the mining industry. It was thought if that Committee could be interested in the subject, pressure on the proper committee of the legislature might be brought, which would result in some relief to the mining industry being initiated.

So far as any legislative action is concerned, nothing resulted. The date of the meeting was so late in the session that it was hardly to be expected that any legislation could be initiated during the short time remaining. However, this Committee is frankly disappointed in that no Legislative Committee was appointed to investigate the subject and report at the next session of the legislature. The Chairman of this Committee made a personal request of Chairman Dillinger that he endeavor to procure tht appointment of such an investigating Committee. Evidently he did not receive the support needed, for no action resulted.

(Continued Next Week)

Miss Mary Schmidt, teacher in the San Francisco schools, visited over Thanksgiving holidays with her parents, Mr. and Mrs. E. W. Schmidt.

The Elks enjoyed a dinner of steel head salmon last week. Sheriff George R. Carter was chef and served a delicious feast.

Candied pineapple and cherries at Colleys. 2tfch

TWIN SISTER TUNNEL STRIKES GOOD LEDGE

The No. 3 tunnel at the Twin Sister has broken into likely looking ledge the past few days and promising news may be expected from almot and round of shots according to the reports reaching Nevada City Saturday. The recent strike made in the face of No. 2 tunnel is showing up well. With the advent of power, development work has been greatly speeded up and two shifts are busy with the machine drills and muck stick.

MINING ASSOCIATION SENDS LETTER HOOVER

The following letter addressed to His Excellency, President Herbert Hoover by J. C. Kemp van Ee, president of the Mining Association of California is self explanatory:

Dear Mr. President:

GOLD is the monetary standard of all values, and the power that rules the World and provides its people with comfort and happiness. The mining of this metal laid the foundation and has for more than seventy-five years been one of the basic industries of California, the mines of this State having yielded to date approximately Two Billion Dollars in gold.

To advance the general welfare of this time-honored and important industry, more than five hundred leading mine owners and operators have organized the Mining Association of California, with headquarters in Sacramento and local chapters in every mining county in the State.

This Association places itself upon record as most heartily approving the wise and timely action you have taken as President in enlisting the co-operation of great industrial and financial leaders of the United States in plans to offset the disastrous effects of the recent stock market crash in Wall Street and elsewhere, that business and industrial prosperity of the country may be maintained.

This Association takes pride and pleasure in sending to you assurance that its members in their operations will endeavor in every way possible to co-operate with and support to the utmost the spirit of the plans you have inaugurated within other industries for stabilizing employment and National prosperity.

We believe that your knowledge of California gained as one of its foremost citizens and mining leaders will assure you, more than words can convey, of the whole-hearted desire of the members of this Association to support and uphold your efforts as President in this great National industrial and financial crisis.

The mining men of California are unitedly backing you up.

Sincerely yours,
Mining Association of California,
By J. C. Kemp van Ee, Jr.,
President.

RED CROSS ROLL CALL PROGRESSING NICELY

The annual roll call of the Red Cross is progressing nicely reports Chairman George L. Jones of the local chapter. Membership blanks are obtainable at the Bank of America, the Union and Nugget offices.

LIONS GATHER FOR A LADIES SOCIAL NIGHT

Members of the Lions Clubs of Nevada City and Grass Valley gathered at Grass Valley last week for ladies' night with the Grass Valley club as hosts. A pleasurable evening was spent at the Bret Harte at the dinner followed by dancing and cards at the Commercial Building. Those attending from Nevada City were George R. Carter, Miss Bernice Clemo, Mr. and Mrs. Ainslie M. Holmes, Mr. and Mrs. Charles W. Leiter, Mr. Arthur M. Hoge, Miss Davis, A. A. Willoughby.

Mrs. Anna E. Tucker is ill at her home.

Ignition Parts and Accesories at Miner's Foundry. 24tf

RICH STRIKE ORE IDAHO MRYLND BEING OPENED

The rich strike made on the 1900 level of the Idaho Maryland mine last ytar is developing into a veritable treasure trove as raises run between the 1900 and 1600 levels show continuity of strike and good width between walls. In one of the raises the ledge matter is 6½ feet between walls and in another raise, the width is 8 feet, all of excellent milling ore. Milling is being carried on for the purpose of determining the character of mill equipment best fitted to handle the ore.

A small experimental plant has been installed for the purpose of classification and concentration and working out the milling problem prior to installing new additions to the present 20 stamp mill. The oil flotation process which has become quite popular of late years on complex ores does not appear feasible on the Idaho Maryland ore which is said to show 65% recovery on the plates.

During the testing period on the ore bodies uncovered on the 1900, extraction work and development is about equal but a large tonnage has been opened up ready for milling so that there is sufficient ore already blocked out for at least a year's steady operations at the present time.

With the rebuilding of weak portions of the headframe recently, 6000 feet of new hoisting rope was placed on the drum asd the hoist repaired, so that the hoisting facilities are in the best condition they have been in years.

STARK MAKES FURTHER BUYS MINE PROPERTY

J. H. Stark of Oakland, who is prominently interested in mining properties in the Washington district, has acquired all the right, title and interest of Charles Hellmers, formerly of Randsburg, Kern county. With the coming of electric power to the East Belt country much renewed activity may be looked for the coming year.

GOVERNMENT PADLOCKS TRUCKEE DISPENSARIES

It was reported on the street Saturday that the federal government was putting the padlock on eleven liquor dispensaries at Truckee this morning which would greatly depopulate the business district of the dog derby mttropolis which has been quite a wet spot.

NEW TRIAL GRANTED

A new trial has been granted by Superior Judge Raglan Tuttle in the case of the Truckee Sanitary District vs. James McIver, which was decided in favor of McIver in the Grass Valley justice court. After a jury had been impanelled and one witness sworn, McIver's attorney objected on the ground that the sanitary district was without power to enact legislation. In this Judge Mulrey concurred. W. E. Wright as district attorney is prosecuting the proceedings on behalf of the sanitary district which, it is alleged has been endeavoring to stop dumping of garbage by McIver.

Dr. Carl P. Jones, county health officer, has sworn to a warrant charging Dr. Ormiston Swayze with failing to report a contagious disease. Dr. Swayze was arraigned in Judge Mobley's court with J. M. McMahon appearing as his attorney. The formal hearing was postponed owing to the absence of District Attorney W. E. Wright on Friday.

C. Redondo has opened a Spanish cafe in the former Tamale Parlor on Pine street. Various Spanish dishes will be featured.

Mr. and Mrs. Gomer Hopkins had as recent visitors their daughter and son-in-law, Mr. and Mrs. Harry Cook of Merced.

Mr. and rs. C. R. Murchie have had as visitors their daughter and husband, Mr. and Mrs. Arthur Brown of Berkeley.

CHOOSING AN OCCUPATION

By Ruth Gleason

Doubtless by this time many of you have been thinking of what you should like to be when you grow up. As a rule, those persons who have made the greatest success in life are those who thought out carefully what they wanted to do and prepared themselves for that special work. It is possible you may change your mind later on when you have learned more of the world, but you still work more wisely and eagerly if you begin early to select your studies and to work with reference to some particular end.

If each pupil brings in the name of the occupation in which he is enough interested to study, there will be a long list to discuss. Among the many things to be considered are, first of all, the duties of each profession. What, for instance, does a lawyer have to do to be a good lawyer? What must a mechanic do? A nurse? When you have decided what these duties are, you must discuss whether or not you would like to perform them and whether you are suited to such a profession.

Then, too, you must decide what are the advantages of each occupation. Is the work interesting? Does it give expression to your special ability? Will you enjoy the preparation? You must list the disadvantages in the same way. Compare them with the advantages and see which offsets the other.

There are many ways of finding out about all these different occupations. One of the best ways is to talk with people. You can in this way get first hand information as to how long they were preparing for their life work, what they have to do, and many other items of valuable information.

HOW TO STUDY

By Cecelia Genasci

We should think actively and clearly as we study. In this way we may grasp quickly and intelligently the ideas presented.

Alertness to the purpose of the subject will help us with our work. All education prepares us for our vocation and strengthens our characters. A pupil who is uninterested in a subject does not have good results. Neither does the one who studies with the idea that he is working for the teacher, nor the one studying for the purpose of only receiving a good grade. The higher our purpose of an education, the better the results of our efforts.

Some students are able to get a lesson with one reading. However, for the average person the best method is to read the lesson first to get a brief idea and then read it twice for the details of the lesson.

In the study of a lesson, one should first find the main thought of each paragraph which usually can be found in the topic sentence. To get the general thought of the entire lesson the pupil should link the main thoughts of each paragraph together. If the lesson is long and difficult to understand, the pupil should make an outline of it.

Persistence and patience will accomplish any task. Our purpose should be to master every lessoon and then there will not be weak reasoning relating to any subject.

SENIOR PLAY

The "Birds Christmas Carol" play, sponsored by the Senior Class to raise funds for the Quill, is progressing very well. The cast of seventeen characters directed by Mr. Kjorlie are practicing daily in order to be ready for presentation December 12. The Thanksgiving vacation will find these persons working very hard to get the best advantage of their time. If hard work counts, as we all know it does, the play will go over big.

To see Ann ordering her seven children around and teaching them dinner manners for the big Christmas party is worth at least half the price of a ticket, and to see Ruthie, as a lily white Carol who is very good and kind, is easily worth the other half. But to see Kay give Buzzy a bath is worth two tickets. It will be well worth anyone's money and time to see this familiar story interpreted by our worthy pupils.

BOOK REPORTS GIVEN

The members of the Women's Civic Improvement Club were entertained on Monday, by three book reports given by Katherine Parsons, Catherine Davis, and Vivian Verro. The books reported on were, "Count of Monte Cristo", by Dumas, "The Giants of the Earth" by Rolvig and "The House of the Seven Gables" by Hawthorne. The members were delighted to have the girls speak before them and thanked Miss Mabel F. Main for making the program possible. They hope that similar book reports will be given in the future by different students of Miss Main's English classes.

A FOREST FIRE

By Ruth Noyes

A cigarette, still glowing red,
Lay in a forest's leafy bed,
A little breeze came drifting by,
And a blazing flame soon shot up high,

The wild beast fled from within,
And with 't all wild feathered kin;
From den, from nest, in wildest flight,
They hastened from the glaring light.

The fire raged from dawn to dawn,
And still another day came on
Before the fire flickered dim
Upon a river's rugged rim.

A million dollars lost, because
Of the demon Fire's destructive claws,
Whose fingers, many forests span,
Urged on by carelessness of man.

Miss Elma Hecker, Deputy County Treasurer, is ill at her home.

JUNIORS GIVE PLAY

The Juniors entertained the student body on Tuesday, November 27, by presenting a play entitled "Wurzel Flummery" by Milne. The characters of the play were:—

Robert Crashaw ..... Lionel Davies
Margaret " .... Cecelia Genasci
Viola " ..... Margaret Rector
Richard Meriton ..... Carl Murchie
Denes Clifton ..... Calvin Fischer
Maid ..... Lois Eden

This play is a satire showing that people will do anything for money. In this case, the two chief characters were willing to give up their names for $50,000 each.

At the conclusion of the play Gertrude Marriott addressed the student body. The topic of her speech was "Thanksgiving".

The program was in charge of Mrs. Ruth Hulen, advisor for the Junior class. Mrs. Ruth Hulen and the members of the cast deserve much credit for the splendid prerentation of the program.

It is planned that throughout the school year each of the four classes will entertain the student body by giving a program.

POSTER CONTEST

The members of the cast of "The Bird's Christmas Carol" are sponsoring a contest for the best posters submitted advertising their play which is to be given December 12. The posters must be in on Tuesday, December 3d. The first prize will be two tickets to the play and the second prize will be one ticket. All members of the student body are eligible.

RADIO PROGRAM

Tuesday, November 26, thru the kindness of Mr. Charles Cory a local radio dealer, the High School was able to hear a talk over the radio on "Journalism" given by R. D. Swisher an editor and publisher of a Hollywood daily. In this talk he stressed the preparation, qualification, advantages, and opportunities of journalism. This talk was given over K. F. I. by the California School of Air.

Following this Margaret Rector reported upon a talk listened in the previous week on "Shipping" by Captain Robert Dollar. In this speech she stressed that for anyone who wants to succeed, success is possible regardless of the position anyone is in.

BASEBALL GAME

A baseball game between the Junior and Senior girls of the Nevada City High School will take place on Thursday, December 5, at 2:30 o'clock. Catherine Davies is captain of the seniors and Elizabeth Thomas, captain of the juniors. School will be dismissed a few minutes early so that the teachers and students will be able to see the game.

THE DESERT

By Gertrude Marriott

Have you ever seen the desert
When the moon is new and thin,
And the clear, cold night in whispering,
And the clear, cold night is whispering,
And the sage is tossed by wind?

Have you ever seen the desert
When the east is painted red,
By the golden brush of sunrise,
While the western sky is lead?

Have you ever seen the desert
When the sun has sunk from sight
And the twisted trees are swaying
While the soft wind calls "Good night"?

If you've never seen the desert
When these wonders come to life
Then you've missed the best of living
And you've missed the best of Life.

why smokers graduate to CAMELS—

The phrase "I've Graduated to Camels" originated with a Camel smoker. It expresses the experience of millions who through Camels have learned to know real smoking pleasure.

As taste in smoking develops, it naturally leads toward better quality. New smokers may not be critical but when they once experience the true mildness and surpassing fragrance of the Camel blend, they realize that here is a real superiority. It is for smokers of such discernment that Camels are made . . . for them the choicest tobaccos are selected . . . and this quality is maintained for the millions who know genuine smoking pleasure.

when they learn the difference they flock to Camels

CAMPTONVILLE PERSONALS

Mrs. A. A. Gangloff of Oak Valley spent Friday in town.

Allen Ennes of Alleghany was in town Friday.

Miss Betty Cline, student of the Camptonville high school, and resident of the Sleighville House, was badly burned and narrowly escaped more serious injury Saturday morning, when a pan of gasoline and a dress she was wahing in it, took fire. She had been rubbing the dres when it suddenly ignited, setting the gasoline on fire, and badly burning her hands and arms. She quickly threw the burning pan and dress into the yard, and extinguished the fire on her person, but not until it had inflicted heavy burns on the arms up to the elbows.

One of the most enthusiastic games of baseball enjoyed here in a long time, took place on the local diamond Friday afternoon when the Camptonville high school defeated the Downieville high school in a score of 2 to 1.

Th esemi-monthly meeting of the Camptonville Shakespeare and Current Event Club was held Friday evtning at the home of the Groves family. A very enjoyable session was had, a past president, Mrs. Kate Hope Livington, taking the chair for the evening. The continuation of the study of "Hamlet" was enjoyed, which play they expect to finish at the next meeting.

William Litchenberger of Brush Creek mine passed trhough town Thursday from the lower country enroute to the mine.

Mr. and Mrs. B. F. McNaught and Mrs. Seymour G. Smith motored to Grass Valley Thursday.

J. A. Taylor arrived Thursday from Nevada City, returning with his wife and children, sister-in-law, Miss Aurila Cassano, and mother-in-law, Mrs. G. B. Cassano.

John M. Jayne has gone to Nevada City where he is employed as a truck driver.

Mr. and Mrs. Frank W. Camp of Indian Hill Mine have gone to San Francisco on a visit.

County Surveyor George F. Taylor of Downieville passel through town Monday from Nevada City.

George T. Wayman of Pike City motored to Grass Valley Monday.

Julius E. Pauly and Samuel F. Price motored to La Porte Monday.

Henry Harrison and Antone Zerga motored to Grass Valley Monday.

Dr. R. F. Werner of Nevada City was in this section Monday.

George Butz has been successful the pat week in catching two bears in his traps above town.

Mr. and Mrs. W. C. Cunningham and family and Guy Baldwin motored to Nevada City Saturday evening.

Mr. and Mrs. Leonard L. Bishop and Mrs. John G. Ramm of Oak Valley spent Sunday in town as the guests of Mrs. M. G. Calvin.

Mr. and Mrs. Ralph W. Brown of Sierra City, were here Friday.

Fred J. Joubert motored to Nevada City Saturday.

Clark Carter of Downieville was in town Saturday.

Julius A. Cassano, and father G. B. Cassano left Saturday for San Francisco to attend the funeral of their mother and wife, the late Mrs. Frances Cassano.

NORTH SAN JUAN JOTS

NORTH SAN JUAN, Nov. 30, (Special to The Nugget)— Joe Swazey of Tyler was in town Wednesday evening.

Mr. and Mrs. T. White of Grass Valley passed through town Wednesday.

Mr. and Mrs. E. Ingraham were business visitors in Nevada City Tuesday.

Will McCullough of Berkeley arived home to spend Thanksgiving with his parents, Mr. and Mrs. J. J. McCullough.

Ralph Thomas of the Siberia mine was in town Wednesday evening.

Mrs. H. Huckins and Miss Lucille Fogarty motored to Downieville Monday. Mrs. Acton Cleveland of Camptonville accompanied them.

Mrs. Kate Montre, who underwent an operation at Nevada City Thursday for the removal of htr tonsils, is getting along nicely.

Mrs. J. J. McCullough was a visitor in Nevada City Monday.

Mr. G. Luhrs of Tyler passed through town Friday enroute to Nevada City.

Mrs. I. Musfield and son, Homer, were business visitors in Grass Valley Friday.

nnnnnnnn .... kWGra mntand nnn Everett Kessler, Misses E. Kessler and Lucille Fogarty motored to Wilson's Log Cabin Thursday.

Ray McCullough and Will McCullough motored to Camptonville Thursday.

Mrs. W. Cunnningham and children of Celestial Valley passed thru town Friday.

Jim Dugan of Downieville passed thru town Friday enroute to Grass Valley.

Geo. Campbell of Pike was a business visitor Thursday evening.

Gordon and Everett Kessler and M. Moffiet and H. Kessler of Colfax spent Thanksgiving with relatives.

Joe Fogarty of Hammonton and Tom Fogarty of Marysville spent several hours in town Thursday on business.

Raymond Bartsch of Moonshine Creek was in town Friday.

George Schweara of Marysville spent several days in town on business.

Harold Beresford of Moonshine Creek made a business trip to Nevada City Friday.

CHEROKEE PROSPERS

CHEROKEE, Nov. 30, (Special to The Nugget)—Thanksgiving was very quiet over here, everybody enjoyed thier dinner at home.

Mr. H. Meyer was a business visitor in Nevada City Monday.

Louis Dudley of Sacramento and Laurence Calanas of the Ray ranch were visitors here Sunday.

More power to J. M. Swazey.

Miss Ellen Berry of Grass Valley is spending Thanksgiving with her mother.

The many friends of Charles Salmon were sorry to hear of his death and his wife and daughter have the sympathy of the Ridge people.

Mr. and Mrs. L. Garibaldi spent Thanksgiving with their daughter, Mrs. E. Pollard, of Nevada City.

Mr. and Mrs. John Culver of French Corral spent Thanksgiving with Mr. and Mrs. R. McNamara of Cherokee.

James Phelan and wife, and Mrs. T. J. Flynn and Jack Phelan were business visitors in Nevada City and Grass Valley Wednesday.

Mr. Toleman of Columbia Hill has moved to Nevada City for the winter.

Mr. and Mrs. John P. Mitchell had as a visitor their son, Roy Mitchell. He is assitant manager in the ticket office of the Stanford Board of Atheltic Control.

Miss Dora Mitchell, who is attending the College of the Pacific at Stockton, visited her parents over the week end.

Ivan Brown of Sacramento visited relatives and friends over Thanksgiving day.

Mrs. Charlotte Callopy and Miss Dora Bell of San Francisco and Merrell Walker of Sacramento spent the week end in Grass Valley.

Miss Gladys Brown, student at San Jase State Teachers College, visited relatives in Grass Valley over the Thanksgiving holiday.

William Andrews of Sacramento spent the week end in Grass Valley.

Mrs. Fred Foote and daughter visited in Sacramento Thanksgiving day with relatives.

Mr. and Mrs. Howard Goosen visited in Fairfield over Thanksgiving Day.

Earl J. Caddy and sister, Ethel, attended the theatre in Sacramento Thursday.

William McCullough of North San Juas visited in Grass Valley during the week.

Turkey shoot two miles above Bowman's on Colfax Highway every Sunday until Xmas.

Ellsworth Colley has arrived from his ranch at Tudor for a visit with his father, Jades F. Colley.

Jay and James P. Coughlan came up from the valley last week enroute to their home in North Columbia.

Paul M. Doyle of Dixon was a recent visitor. He is a former business man of Truckee.

Telephone ervice is now available from the United States to twenty-one foreign countries.

LEGAL NOTICE

State of California
Department of Public Works
Division of Water Resources
Sacramento

NOTCIE OF APPLICATION TO APPROPRIATE WATER

Application 5970

NOTICE IS HEREBY GIVEN, That Pacific Gas & Electric Company, C|o P. M. Downing, First Vice President and General Manager, 245 Market St., San Francisco, Calif., has under the date of July 5, 1928, applied to the Division of Water Resources, Department of Public Works, State of California, for a permit to appropriate unappropriated water, subject to existing rights.

Description of Project

Water to be appropriated from the natural flow and the regulated and|or augmented flow of Bear River, tributary of Feather River.

County of Nevada.

Amount applied for: 525 cubic feet per second.

Diversion season named: January 1st to December 31st, of each season.

Water to be used for power purposes.

Point of diversion within the SW ¼ of the NW ¼, Section 17, T. 16 N., R. 11 E., M. D. B. & M.

Point of re-diversion: Bear River within the SW ¼ of the SE ¼ of Section 27. T. 16 N., R. 10 E., M. D. B. & M.

Place of use described: Drum No. 2 Power House within the SW ¼ of the SE ¼ of Section 27, T. 16 N., R. 10 E., M. D. B. & M.

Drum No. 3 Power House within the SE ¼ of the SW ¼, Section 14, T. 15 N., R. 9 E., M. D. B. & M.

Water to be returned to Bear River within the SE ¼ of the SW ¼ of Section 14, T. 15 N., R. 9 E., M. D. B. & M.

Relative to Protests

Blanks upon which to submit protests will be supplied free upon request by the Division of Water Resources.

Any person desiring to protest against the granting of such permit shall within sixty days from date hereof file with the Division of Water Resources, Sacramento California, a written protest. Such protest shall clearly set forth the protestant's objections to the granting of the application and shall contain the following information:

(1) Statement of the injury which would result to protestant from such appropriation and use.

(2) The basis of protestant's water right.

(3) Protestant's past and present use of water both as to amount used and land irrigated, or use made of water other than irrigation.

(4) The approximate location of such land or place of use and of the point of diversion of the water.

A copy of the protest should be sent to the applicant and this office notified that the same has been done.

EDWARD HYATT,
State Engineer.

SUMMONS
No. 5762

In the Superior Court of the State of California, in and for the County of Nevada.

PACIFIC SECURITIES CORPORATION, Plaintiff,

vs.

NEWTOWN MINING COMPANY et als, Defendants.

Action brought in the Superior Court of the State of California in and for the County of Nevada, and the Complaint filed in the office of the Clerk of said County of Nevada.

H. H. McPIKE, Attorney for Plaintiff.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

Newtown Mining Company, a corporation, Mary S. Worcester, Leste M. Dull, Belle O. Dull, also known as Belle O. Starrett, B. G. Barnett Jane Doe Barnett, C. Van Der Zwal B. R. Bauman, Herbert W. Bailey Louis S. Lyons. Warren B. Cowins J. L. Woolson, William F. Wey and Overland Publishing Company a corporation, John Doe, Richar Roe, Jane Doe and Mary Smith, Defendants:

You are hereby directed to appear and answer the complaint in an action entitled as above brought against you in the Superior Court of the State of California in and for the County of Nevada within ten days after the service on you of this Summons—if served within this county; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or it will apply to the Court for any other relief demanded in the complaint.

Given under my hand and seal of the Superior Court of the State of California in and for the County of Nevada, this 26th day of July A. D. 1929.

GEORGE COUGHLAN,
Clerk.
By R. N. McCORMACK,
Deputy Clerk.

SUMMONS

In the Superior Court of the State of California, in and for the County of Nevada

MARY E. CALKINS, Plaintiff,

vs.

R. W. GREENAWAY, also known as R. GREENAWAY; SARAH JANE JOHNS; WILLIAM HENRY WILLIAMS; GEORGE WASHINGTON WILLIAMS; H. H. NOBLE; L. B. SHEPARD; M. C. EMERSON JOHN A. HITCHENS; JOHN J. CAMPBELL and MARY C. CAMPBELL, his wife, and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

W. E. WRIGHT, Attorney for Plaintiff, Nevada City, California.

Action brought in the Superior Court of the State of California, in and for the County of Nevada.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO: R. W. Greenaway, also known as R. Greenaway; Sarah Jane Johns; William Henry Williams; George Washington Williams, H. H. Noble; L. B. Shepard; M. C. Emerson; John A. Hitchens; John J. Campbell and Mary C. Campbell, his wife, and also all other persons unknown claiming any right, title estate, lien or interest in the real property described in the complaint adverse to Plaintiff's ownership, or any cloud upon Plaintiff's title thereto, Defendants.

You and each of you are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for County of Nevada, within ten (10) days after the service upon you of this summons, if served within this County, or thirty (30) days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment against you for any money or damage demanded in the Complaint as arising upon contract or she will apply to the Court for any other relief demanded in the Complaint.

The said action is brought by the above mentioned Plaintiff against the above named defendants, and each of them, to quiet Plaintiff's title to the land and real property described in the Complaint on file in the said action and hereinafter particularly described and to determine the adverse claims of the above named defendants, and each of them, and of all unknown persons to, and clouds upon the title to the said real property and the whole thereof pursuant to the provisions of Sections 749, 750 and 751 of the Code of Civil Procedure of the State of California, and that said real property is situate, lying and being in the City of Nevada County of Nevada, State of California, and described as follows to-wit:

All that portion of Lots Two (2) and Three (3) in Block Forty Three (43) as designated upon the official map of said Nevada City, known as the Old "Half Mile" property and more particularly described as follows:

Commencing at a point on the West line of Sacramento Street in said City of Nevada, from which point the Southwest corner of the said City of Nevada, bears South 9° 58' West 224.78 feet; South 0° 52' West 100 feet; South 9° 53 West 387.59 feet to a granite monument and South 87° 44' West 07.05 feet, and which point of commencement is on the North line of a roadway running easterly and westerly through said Lot of Block 43; thence along the West line of said Sacramento Street North 24° 13' East 268.31 feet; North 30° 29 East 218.6 feet to the southerly line of Hitchens lot; thence along the Southerly lines of Hitchens and Campbell lot North 60° 10' West 22.81 feet; North 60° 31' West 132.57 feet; North 70° 26' West 57.64 feet; North 77° 08' West 29.63 feet; thence along the line of Greenaway property, formerly the old Slaughter House property, South 18° 59' West 127 feet; South 49° 21' East 64.29 feet; South 16° 24 West 373 feet to the North line of road, and thence along the North line of said road, South 71° 15' East 202.46 feet to the place of beginning.

The object of said action is to obtain the judgment of the Court against said defendants and each one of them, known and unknown as follows:

That all adverse claims to, and all clouds upon the title of plaintiff to said real property or any and every part thereof be determined by the judgment and decree of said Court, and that it be decreed that plaintiff is the sole owner in fee of said real property and the whole of said real property herein described being the same real property described in the Complaint of Plaintiff on file herein and that Plaintiff is in possession of the property and entitled to the possession of the said real property and the whole thereof, and that the defendants have not, and that none of said defendants, including unknown persons made defendant herein, have any right, title, estate lien or interest of any kind whatsoever, in or to or on the said real property or any part thereof, and that said defendants, and each and every one of them, known and unknown be forever debarred, enjoined and restrained from making or asserting any claim whatsoever in or to said real property, or any part thereof, adverse to plaintiff and that the title of said plaintiff in and to said real property and the whole thereof be forever quieted and adjudged good and valid and for such other and further additional order, judgment, decree and general relief as is meet and proper in the premises, and for costs of suit.

Given under my hand and the seal of the Superior Court of the State of California, in and for the County of Nevada, this 2nd day of October, 1929.

GEORGE COUGHLAN,
Clerk of the Said Superior Court.

PASSION PLAY WILL BE PRODUCED SACRAMENTO

Residents of the Sacramento Valley will be given the unique opportunity of witnessing an Old World spectacle without the expense and inconvenience of an ocean voyage, whn the Freiburg Players of Freiburg, Germany, bring their world renowned Passion Play to the Sacramento Memorial Auditorium, December 3 and 4, with a special children's matinee on the afternoon of Dec. 4.

Sponsored by the City of Sacramento ,working through its recreation departmest, the Passion Play, with the original Freiberg cast of principals augmested by hundreds of Sacramentans, will be presented on a lavish scale rivaling that recently enacted on the mammoth stage of the New York Hippodrome by the same principals.

Adolph Fassnacht, seventh generation of his family to play the Christus role in the Freiburg Passion Play, will head the cast of distinguished artists who are now completing their triumphant tour of the United States with their message of universal peace and good will to all men.

Undaunted by recent efforts of special interests to belittle the magnitude of their great cause and to retard them in theis good will work through unplausable and unjust accusations of prejudice, this group of devo and reverent players are striving to make their production ever greater and more inspiring.

For 700 years this historic pageant sublime has suvived scores of religious and political turmoils that obliterated hundreds of similar institutions less firmly founded in devotion to a uperb ideal, and today the Freiburg Players, direct lienal descendants of the original cast, stand out at the foremost group of inspired players in the world.

Wherever the Passion Play has been presented, from coast to coast, it has been acclaimed by newspaper critics and civic leaders as an unparalleled work of art and its production with the original Freiberg cast leading American cities has been characterized as an outstanding civic achievement.

Concerning itself with the last seven days of Christ on earth, the plot i handled with remarkable reverence by the players, each of whom is devoting a lifetime to the perfection of one role. Adolf Fassnacht, the Christus, has protrayed that trying role fort he past 26 years, after an intensive period of training that began in infancy and was supervised by his equally famous father, who played the part before him. Several other members of the cast still remain, who played in the cast with the father of the present Christus.

Mail orders for the two evening performances are now being received at the office of George Sim, City Hall, Sacramento, Calif. The children's matinee will be 50c and will be for children of school age only, but will be open to children from the surrodning territory as well as from the public and parochial schools of Sacramento. Prices for the evening performances ar e$1.00, $1.50, and $2.00.

Mrs. Frank McKeon of San Francisco is spent a few days visiting in Nevada City with friends.

John Roth of Sacramento was in Nevada City recently. He is a former resident of North San Juan.

STATE MINING NEWS

TRINITY COUNTY

Gravel is now being washed by the North Fork Placers on the north fork of the Trinity river near Helena. It was necessary to bring water 13 miles and the plant operates under a 700 foot head. Ray J. Barber is chief engineer.

CALAVERAS COUNTY

The Vallecito Central Company has purchased 148 acres of acreage in the Garland ranch from the Butte Mining Company, Ltd. The property adjoins the Keystone mine where an ancient river auriferious channel was located. The Butte company will receive $50,000 in payments and 300,000 shares of the Vallecito company. William Taylor, Jr., is consulting engineer for the purchasing company.

EL DORADO COUNTY

Two shifts employing 12 men are being used at the Poverty Point mine in sisking the New York shaft to a depth of 200 feet, and reopening the old river tunnel. Most of the tunnel has caved in for its distance of 1300 feet and will entail a great deal of work in its opening. L. E. Holland is engineer in charge of operations.

God ore is reported from the 100 level in the Crusader mine near Diamond Springs. The vein is reported one foot wide. John Noce and M. Weller have a bond and lease on the property.

Mrs. George Downey has had as guests her daughter and husband, Mr. and Mrs. Earl Beatty, of Sanger.

John J. Connell of Alleghany was a recent Nevada City visitor.

Mrs. M. J. Lane of Oakland attended the funeral of her late brother, William Hickeson.

Mrs. George W. Keller

MILLER REOPENS HIS ENGINEERING OFFICES

After sixteen years spent in public service, Fred M. Miller has returned to private practice in Grass Valley as consulting engineer, specializing in mining, hydraulics and irrigation. After a successful private practice in Grass Valley and a number of years as county surveyor, Mr. Miller left to assume the position of engineer for the state corporation commission under H. L. Carnahan, being appointed by Governor Hiram W. Johnson. He spent 8½ years in that capacity, later taking up work with the Nevada Irrigation District from its inception. He has also been connected with a number of mining properties and has already been engaged to make reports on several properties under observation by outside interests.

Mr. Miller has a large number of friends who will wish him well in his chosen profession once more.

CLAUS HANSEN DEAD

Claus Hansen, long time employe of the Sierra Buttes mine at Sierra City passed away early last week. Surviving is a wife, three children, and four brothers. Funeral services were conducted on Thursday afternoon by District Attorney Henry B. Neville of Downieville. Deceased was an active Odd Fellow.

BACHELS IN TOWN

Andrew Bachels was down from Godyears Bar on business Friday and Saturday. The Bachels boys are interested in the Empire and Four Hills mines in northern Sierra county. While in town Mr. Bachels called at The Nugget office to enroll in the Mining Association of California as a member.

FREEMAN BAKERY HAS NICE RUN BUSINESS

The recent change of ownership of the popular Freeman Bakery of Grass Valley whereby Paul Pietsch and Eric Hoerchner became the proprietors, has located a pair of experienced bakers in the Nevada county field who rank with the best in their profession. Pietsch was not a stranger to Grass Valley as he had previously been engaged in bakery business there.

The two young men have modern equipment throughout in their plant and handle their own work. One of their specialties for the holiday dinner trade which has been making quite a hit, has been a fine fruit cake and has had a large sale. A full line of breads and pastries made from the finest materials is made daily.

Elton Martin handles the delivery service for the firm and supplies daily the Broad Street Lunch Room Nevada City agents, with a full line of fresh baked goods. Miss Kent is the obliging office manager for the firm.

R. L. P. Bigelow has returned from a district conference of the California Cattlemen's Association held at Maryville last week. L. S. Smith, grazing examiner connected with the local forest service offices, was one of the speakers at the meeting.

Mrs. W. L. Williamson had as a visitor her son, Stenger Williamson, of akland, over the holiday season.

J. J. OC'onnell of Alleghany visited in Nevada City over Thanksgiving.

Glace fruit—in bulk, boxes and beautiful gift boxes at Colley's Confectionery. 2tfch

THRIFT . . .

A bank can render no more useful service to its community than to encourage and safeguard thrift For this reason, the Bank of America extends a sincere welcome to the most modest saver To the school child, forming the habits that will shape its lifetime to the young man or woman, planning for education to the young couple with their eyes on the future to all who are building for progress, the facilities of this bank are cordially extended.

California's largest state bank is eager to do its part in the building of future citizenship To this service it brings three score years of banking experience.

We are very proud that on the books of the Bank of America are the names of pioneer men and women who, with their own hands, cleared their lands and built their homes On the staunch thrift and sterling character of these men and women, the prosperity of California is founded.
